

Our 2-day Change Management Training is tailored to your business requirements to give attendees the skills to lead effective change in your organisation.

[Change Management](#) is essential in today's world of rapid and continuous change; we provide the critical skills and a framework for the successful management of people change.

We provide this course on a private basis, in-company or at our premises in Brighton, and we tailor the course content to meet your business and personal goals. Call us on [+44 \(0\)1273 622272](#) for a quote.

If you are looking for a formal Change Management qualification then our APMG-accredited [Change Management Practitioner Course](#) may be better suited.

Course Objectives

Change management training will enable delegates to:

- Recognise the important role that people play in making business transformation successful
 - Discuss the fundamental challenges in getting people to change and for that change to be sustained
 - Understand and be able to apply the key steps required to successfully manage people change
 - Apply their knowledge to a project or programme to effectively manage the change of people's behaviour
-
