What is P30® Foundation Training?

The Portfolio, Programme, and Project Officers (P30®) scheme offers guidance on optimising investment whilst not inhibiting or influencing alternative business operations. As a recognised and valuable Project Management qualification, the P30® Foundation Certification confirms to employers, both present and future, that a candidate is aware of the P30® model and could productively interact with a P30® project. This P30® Training Foundation Certificate is designed for individuals that wish to elevate their fundamental knowledge of the P30® Model and its concepts - from deciphering the complex terminology to preparing for the proposition of higher level certifications. Led by highly experienced and accredited instructors, the Foundation course will consist of instructor-led workshops, in order to ensure that candidates gain applicable and underpinning conceptual knowledge of P30®. This P30® Course will allow individuals to analyse and distinguish between the correct and incorrect utilisation of P30® principles in business justifications.

Whilst providing an effective framework for repeat usage, P30® Training is primarily designed to develop proficient Project Managers and Project Contributors that are capable of initiating and leading transformational business change. The P30® guidance brings about a collaboration of principles, foundations, processes, and techniques to contribute and facilitate Portfolio, Programme, and Project Management - in order to provide a set framework in which to adhere to on regular basis to assure consistency. Additionally, the P30® Model can be utilised as a career path framework in which to follow, from contributing to projects with a basic P30® understanding, to leading Projects with the P30® Practitioner Course.
