Introduction to PRINCE2® PractitionerTraining

This PRINCE2® Practitioner Training is the second course you're required to complete to gain the PRINCE2® Qualification and become a registered PRINCE2® Practitioner. This PRINCE2® examination will measure whether the delegate would be able to apply PRINCE2® to the running and handling of a project within an environment supporting PRINCE2®.

What is PRINCE2®?

PRINCE2®, an acronym for Projects IN Controlled Environments, is a project management methodology that promotes productivity and maximal efficiency - through following an established and proven process-driven framework. For more information check out our blog PRINCE2® vs APMP - What are the differences?

PRINCE2® Practitioner Syllabus

This 2 day PRINCE2® Practitioner training course is split up into two parts with the PRINCE2® examination on the second day. In order for delegates to undertake this PRINCE2® training course, delegates are required to of have passed the PRINCE2® Foundation examination
