

What is Key Account Management Training?

Most companies are operating in an increasingly crowded market space. For most reducing prices to compete is simply not an option as survival in today's market place is dependent on many more elements than price alone.

You have to be able to differentiate yourself and your [products and services](#) to survive. In a message overloaded market place your messages have to cut through. If you can't compel, you won't sell. Learn how to influence your prospects and how to win and retain Key Account business.

Our Key Account Management training course will teach you strategies for getting the attention of decision makers and start winning more business now!

We also provide private and in-company **Key Account Management courses**. Call [+44 \(0\)1273 622272](#) to discuss.
